## ABOUT VIATRAVELERS

Travel is the only thing you can do that stimulates all of your senses. And it doesn't just stop there, you learn, grow and develop as a result of your travel experiences. ViaTravelers, and our audience, understands that. We strive to provide the ultimate experience of travel, which includes videography, photography, audio, written content, and those local experiences worth exploring.

### OUR APPROACH

ViaTravelers takes partnership campaigns very seriously. We only select a few set of companies, agencies and services each year. We focus on high returning campaigns focused on revenue.

We are not a company focused on instant gratification marketing but rather we take a long-term approach that will drive results organically. We use social channels to multiply the reach of these campaigns.

## PARTNERSHIP OPPORTUNITIES

### SPONSORED POST

Written content is still very powerful in today's age. Our approach includes SEO optimization for conversions along with rich data, including images, graphics and data to help your area, product or service receive organic results that drives results.

**\$500 / POST**

### YOUTUBE VIDEO

We love video! This is the best way to capture the way a city looks, feels and sounds (without visiting it, of course). We will create a full video guide on your local area, product or service completely optimized for YouTube SEO.

**\$3,000 / VIDEO**

### EMAIL MARKETING

Our email subscribers are highly engaged with open rates and click rates above industry averages of 25+% and 5+% on each email send. For each email campaign, we can include an image placement with an additional text link to your offering.
